**Lincoln and Grant: The Westerners Who Won the Civil War** Edward H. Bonekemper III

Lincoln and Grant is an intimate dual-portrait of President Abraham Lincoln and General Ulysses S. Grant: their ordinary "Western" backgrounds, their early struggles to succeed, and their history-making relationship during the Civil War. Though generally remembered by history as two very different personalities, the soft-spoken Lincoln and often-crude Grant in fact shared a similar drive and determination, as this in-depth character study illustrates.
